

CPR and First Aid Training

All trainings held at Vallivue High School, Rm. 244

The training takes about 2 hours and participants will receive certification
From The American Heart Association.

There is no cost to regular Vallivue School District employees.
The cost for non-Vallivue employees is approximately \$40 payable to the
instructor at the time of the training.

**Sign up through Susan James at the district office.
Please note classes are limited.**
