### 1. Educational Goals for the Course:

- To extend and support the knowledge of using the TRIBES human development process to implement cooperative learning within the classroom.

### 2. Instructional Learning Objectives – Educators will:

*(What will participants learn and put into practice as a result of completing this process?)*

- Continue to discover the impact of the TRIBES pattern of interaction over the traditional approach for working with students.
- Be asked to decide how this class will help them improve on the Framework evaluation and which specific components are addressed in this class.
- Concentrate on Framework Domain 2, The Classroom Environment, where they will focus on teacher and student interaction with respect and rapport.
- Concentrate on Framework Domain 3 where the focus will be how to engage students in learning.

### 3. Course Requirements – Educators will:

#### In Class:

- Attend and participate in all sessions.
- Develop an outline for a plan on how to implement TRIBES into his/her classroom, including a planned time of implementation.

#### Out of Class:

- Read assigned materials in TRIBES manual.
- Complete implementation plan.
- Submit all course work to Chris McCurley at [cmccurley@vallivue.org](mailto:cmccurley@vallivue.org)
