

**Rivervue Middle School
Newsletter**

Thursday, March 22, 2012

From the Principal:

Dear Parents,

Spring break is this next week, the staff of Rivervue wish you a safe and relaxing time. School will resume on Monday, April 2nd. This Friday is an early dismissal, students will be home approximately an hour early.

I would like to announce that Rivervue's Teacher of the Year is Mr. Palmer. We will be having a celebration for Mr. Palmer and all the other school's teacher of the year at Vallivue Middle School on Thursday, April 5th at 4PM. All are invited to support our very own Mr. Palmer!!!!

Also our secretary, Ms. de la Concepcion, has resigned and will not be returning after spring break. We will greatly miss her hard work at Rivervue and wish her luck on her endeavors.

This week we had the State Department do their compliance check for Title 1 services. The committee was very impressed with the support the students of Rivervue are receiving and our work with parent involvement. A special thanks to Paul Garcia, our parent who was interviewed by the committee. And thanks to all our parents who work with us to help make a difference in the lives our students.

A reminder to parents to please check your child for correct uniform, including belts. Also, all students need an agenda and were given one at the beginning of the year. Please make sure your child has one and if they do not they can purchase one for \$5 in the school office.

Most of the students at Rivervue are on a computer program called Plato. Students have access to this program at home. If they are bored or complaining that they have nothing to do during Spring Break, here is the solution. All students can log on to:

<https://ple.platoweb.com/>

The account log in is: vsd139

Plato name is: their school id and the Password is their birthday, without 0. For example: August 9, 1999 would be: 891999.

Have a wonderful Spring Break,

Mrs. Vande Brake

Counselor's Corner:

Rivervue Parents,

I am in the process of recalculating students' current GPA to track progress towards promotion after the past session. Attached to our next progress report, I will have a slip noting your student's progress. Also, based on this information, I will begin sending information on summer school, as this may be necessary to meet Vallivue School District's promotion policy.

If you have any questions or comments, please do not hesitate to give me a call or send me an email.

-Mr. Zamora
